Hello Russel

01.03.2017

Many thanks for the outstanding service prior, during and on completion of our new orangery style extension, we are very pleased with the end result it's worked out much better than expected.

Please thank Andy, Jamie, Steve, John, Brian, Craig and others for their friendly 'can do' attitude through the project.

We'd also like to thank you for the extras you did to make the fast track 3 week project run smoothly, we have and will be recommending you to others on the way.

The enclosed cheque for the full amount plus a little extra comes with delight and pleasure from all at The Spinney.

Good luck for you and team in the future.

Many thanks

**Gary & Kim, Hayley and Hilton.**
